

# **ADVENTIST YOUTH CLASS**

## **Recommended Memory Verses**

### **Friend - Ranger**

**By Master Guides:  
Chris Fishell & Randy Raynes**

The following memory verse lists are *XYRI's* recommended selections from the lists found in the North American Division of Seventh-day Adventists AY Classes Instructor's Manual. These verses have been selected for several reasons, relevance and personal impact for the youth being the two primary reasons. Length is never a factor. There are several verses recommended in each category within the manual. If you are not satisfied with these selections, please refer to the AY Manual for more choices.
